The Greenhills Country Club

EXPERIENCE

Greenhills Country Club is a private golf, tennis, and pickleball facility nestled along the banks of Dingman Creek. Rich in beauty and design, it provides the ultimate member experience. The club offers a unique mix of championship golf, racquet sports, dining, and social activities that rivals other private facilities in the region.

Greenhills is a place where families, couples, and individuals all feel a sense of belonging. With a long history of dedicated members, we've built traditions that are cherished while continuing to evolve with new programs, events, and amenities. Our members are at the heart of everything we do, fostering a strong sense of community both within the club and throughout Lambeth.

The Dining & Social Atmosphere

An essential part of life at Greenhills is the vibrant dining and social scene. Members enjoy everything from casual meals with family to elegant dinners, themed events, and festive holiday celebrations. Dining isn't just about the food — it's about connecting with others, making memories, and being part of the club's unique culture.

The Food & Beverage Minimum

Like most private clubs, Greenhills requires a Food & Beverage Minimum to ensure members can fully enjoy the club's dining and social experiences.

What is it?

Your Food & Beverage Minimum is the annual dollar amount you commit to spending on food and beverage at the club. It is not charged upfront. Instead, each time you dine or purchase food and beverage, it counts toward your minimum. At the end of the calendar year, only the unused balance—if any—will be billed to your account, and will be applied using your preferred payment method on file.

How can you use it?

- Dine in the clubhouse
- Attend member events like Prime Rib Night, brunches, and holiday celebrations
- Host family and friends for casual or special occasions

What doesn't apply?

- Pro shop merchandise
- Food & beverage purchased at Forest City National.a
- Lessons, court fees, and membership fees
- Taxes, gratuities, or cash payments (all charges must be made to your house account)

Note: Taxes and gratuities do not apply toward your minimum. Once a Food & Beverage purchase is charged to your membership account, your minimum balance will be updated and reflected on your next statement. All purchases must be charged to your house account to count toward your Food & Beverage minimum.
